

The 4th International NGO Forum on World Heritage at Risk

Villa Decius, Krakow, 30 June - 1 July 2017

Resolution

Concerning Civil Society Cooperation

We, the participants of the 4th International Civil Society Forum on World Heritage at Risk, are eager to help enhance the quality and effectiveness of how civil society is involved in the implementation of the World Heritage Convention.

We hope that our initiative will help to establish regular dialogue, thus allowing the World Heritage Committee to fully benefit from the expertise and passion of local communities, indigenous peoples and citizens who are active - as professionals and volunteers - in the field of cultural and natural World Heritage.
